

NEW

Veinlite EMS PRO®

The world's bestselling vein access device just got better – now with an integrated white exam light.

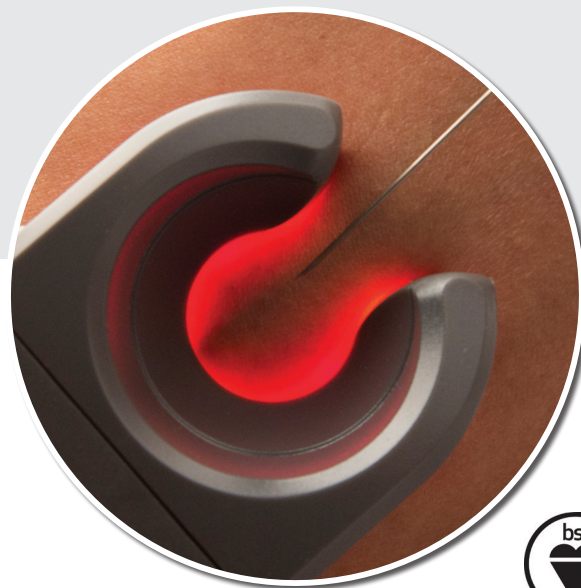

The newest Veinlite EMS PRO® is the most practical vein finder for general vein access in adults and children. This new device is modeled after the Veinlite EMS, but includes a built-in white exam light mode that can be used in initial patient assessment. The robust but easy-to-use EMS PRO model is ideal for mobile medical responders and is priced to equip the whole team.

- Clinically proven Veinlite® technology*
- Meets INS and CDC Guidelines for infection control
- NEW - Integrated white exam light
- FDA and CE registered

BENEFITS

- Fewer IV access failures
- Less wasted supplies
- Improved patient satisfaction
- Simple, single button operation
- Auto cut off switch
